TRADE  SECRETS

Day Trading Systems & Methods

**CHARLES LE BEAU
& DAVID W. LUCAS**

“Using your computer to Day Trade has never been more popular. But it can also be risky business. Benefit from the simple truths Le Beau and Lucas provide - and stay on the winning side of the score sheet more often!”

This compact little booklet really packs a punch. Two top pros cover all the day trading essentials including ...

- What it is
- How to get started
- Costs of doing business
- Maximizing profits
- 12 major systems and methods for day trading success
- Plus, a demo disk assists readers in using their PC and analytical software when making any trading decision.

DEMO Disk Included: The enclosed demo disk will enable you to quickly and easily apply all the methods and techniques outlined in the book and put them to work for you. It's an essential tool for becoming a better, consistently successful day trader - and will keep you on the cutting-edge of this fast-paced and quickly changing arena.
